Comments
I don't have any recommendations. I thought the course was taught well.
None, this was a very good course!
I believe the course is very well maintained as is.

What helped you learn in this course? Principles of Macroeconomics

Comments
The cengage resources were organized very well. There was an appropriate amount of learning materials to feel prepared for exams.
The assignments on Cengage helped a lot and the exam prep materials.
Professor Centuriao was very helpful himself. Anytime I would email a question he would respond in a timely manner with very helpful feedback. He was very well organized on eCampus, and very helpful with his weekly announcements.
